

CURRICULUM & STANDARDS AROUND THE WORLD

AP
Advanced Placement

A US program created by the College Board which offers college-level curricula and exams to high school students.

AERO
American Education Reaches Out

A curricular framework supported by the US State Department's Office of Overseas Schools and the Overseas Schools Advisory Council.

C3
College, Career, and Civic Life

A set of standards for social studies that are aligned to the Common Core.

CASEL
Collaborative for Academic, Social, and Emotional Learning

A set of learning standards designed for school counseling programs.

CCSS
Common Core State Standards

A set of learning standards designed to provide teachers with a guideline of what skills and knowledge students need so that they can prepare students for future success.

CGC

Common Ground Collaborative

An alternative to traditional 'curriculum' designs: a coherent Learning Ecosystem that connects learning, leading, teaching and assessing into one simple, systemic approach.

IB

International Baccalaureate

Offers a continuum of international education through four programs that cover all stages of a student's education from ages 3-19. These include the Primary Years Programme (PYP), Middle Years Programme (MYP), Diploma Programme (DP), and Career-Related Programme (CRP).

NCCAS

National Core Arts Standards

A set of learning standards for dance, media arts, music, theatre, and visual arts. They are based on the artistic processes of Creating; Performing/Producing/Presenting; Responding; and Connecting.

NGSS

Next Generation Science Standards

Science learning standards and the science arm of the Common Core Learning Standards.

SHAPE

Society of Health and Physical Educators

Standards and grade-level outcomes for K-12 physical education.

Common standards found within
International Schools

FUN FACT:

Many international schools are transitioning to standards based grading and reporting
