@LBopenbook

Lighting our work & understanding about Finnish learning and pedagogy, thank you Kaisu Helminem & Raija Perttunen! @lumoeducation @ISSCommunity #ISSedu Love working together with the Dar Essalsm@American School & @CBounet 🇷🇺

 Lumo Education
@lumoeducation

In the past weeks, we have been supporting our #teachers to start the new academic year, both online and onsite at many #schools on three different continents! We want to thank all the wonderful schools and their teachers for their dedication, inspiration and hard work.
#issedu
